International Cricketers vs International Footballers

20-23 SEP 2017 • PORTUGAL

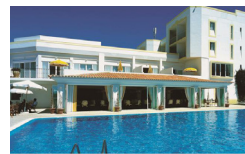

2017 is our 11th year of the International Cricketers v International Footballers event in the Algarve Portugal.

We have made one small change to our golf tournament this year as we will be using both the Quinta do Lago North and South courses and finishing this year on the Vale Do Lobo Ocean.

Cricketers are desperate for a win as they are currently 7-3 down so Graeme Swann needs to inspire his team whilst captain Alan Shearer will be just asking for more of the same. Examples of players this year are below:

 Alan Shearer
 Rob Lee
 David Hirst
 Iain Dowie
 Steve Lomas

 Graeme Swann
 Gladstone Small
 Phil DeFreitas
 Mark Butcher
 Steve Harmison
